

Dance of the Spider Puppets

Or, Are They Really Worth Their Weight in Gold and Silver?

Dear Uncle, making his Spider Puppets dance with one hand behind his back...

Sneaky Pete, trying to not giggle as Dear Uncle whispers in his ear of becoming YOUR next Guild President. This photo of these "not friends" colluding to know what's best for us was taken the evening of April 27th, 2016. Yeah, they probably aren't friends. That doesn't seem to be affecting their ability to conspire for their benefit and not yours.

Kylo Matt rushing to report his utter defeat in this evenings elections to Emperor Darth Uncle...

And Never Again Dave not even trying to not giggle...

Not in the picture is, Don't Worry About the \$7,000.00 of YOUR Money I Spent Last Year on Sporting Goods and the NRA Dave, working hard to throw some flies in the ointment of the current elections. Don't worry, it wasn't your money or Leave Bank Hours anymore, anyways...

Don't trust our Guild to Sneaky Pete or You Used to be able to Trust Me Dave!!!
